

Soothing Salve (500mg)

Our all natural THC free Soothing Salve is expertly formulated with the finest botanical ingredients and is strengthened with 500 mg of pure CBD. This warming salve offers improved bioavailability of ingredients and encourages optimal healing by stimulating local blood flow and vascularity. This is a great product for those who may be new to CBD and would feel more comfortable placing it on their skin rather than in their mouth.

Our products are derived from High CBD/ Low THC plants that are never genetically modified, and grown outdoors in the USA. The state-of-the-art cloning program ensures consistency of genetic strains and promises a safe and regulated product, with excellent characteristics.
