

Broad Spectrum Phytocannabinoid Oil (500mg, 1000mg, 1,500mg)

Our organic broad spectrum phytocannabinoid hemp oil is the highest quality oil available, containing all of the naturally occurring compounds in the hemp plant such as minor cannabinoids, terpenes, proteins, vitamins, minerals, and more. Enjoy the synergistic properties of a broad spectrum product with 0.0% THC and no potentially intoxicating or psychoactive effects.

The state-of-the-art cloning program ensures consistency of genetic strains and promises a safe and regulated product, with excellent characteristics. Our products are derived from High CBD/Low THC plants that are never genetically modified, and grown outdoors in the USA.

Active Ingredients

Broad Spectrum Hemp Oil
